**Rachael Graziotto**, Director, Circular and Compliance Solutions

*October 2025*

# Meet our **experts**

**Patrick Wiedemann**

CEO of RLG and Reconomy Comply Loop

**Leslie Griffith**

Sr. Director of Business Development, RLG

**Rachael Graziotto**

Director of Circular and Compliance Solutions, RLG

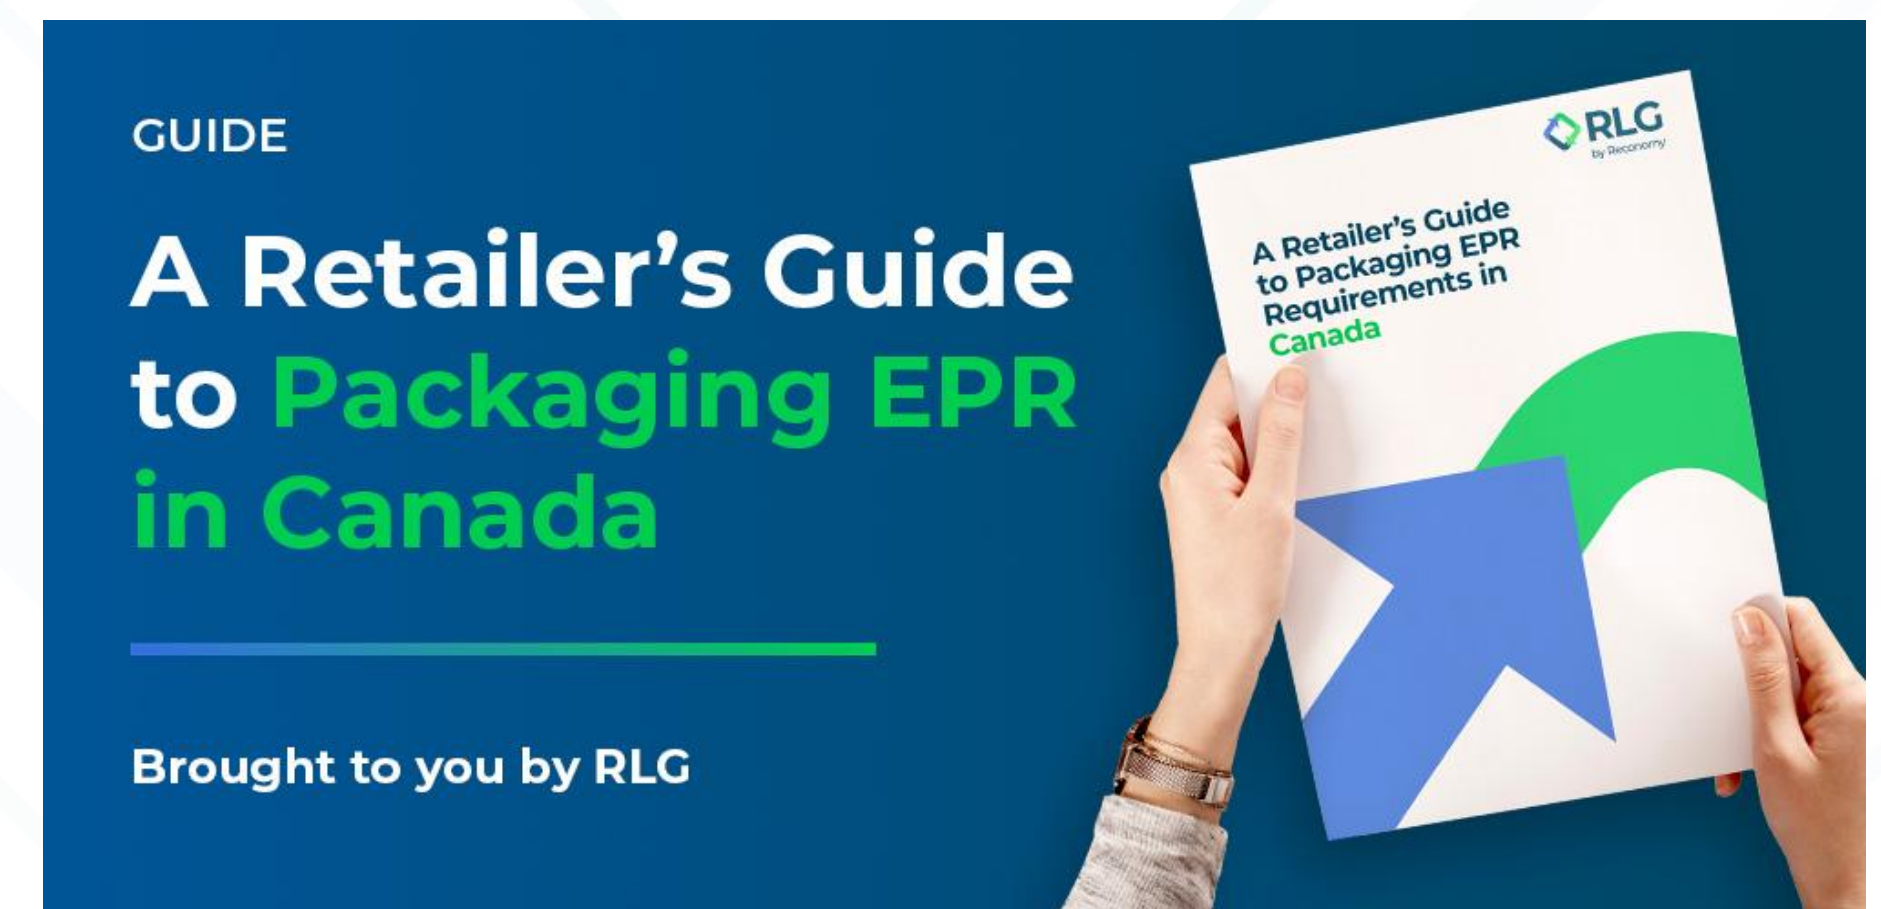

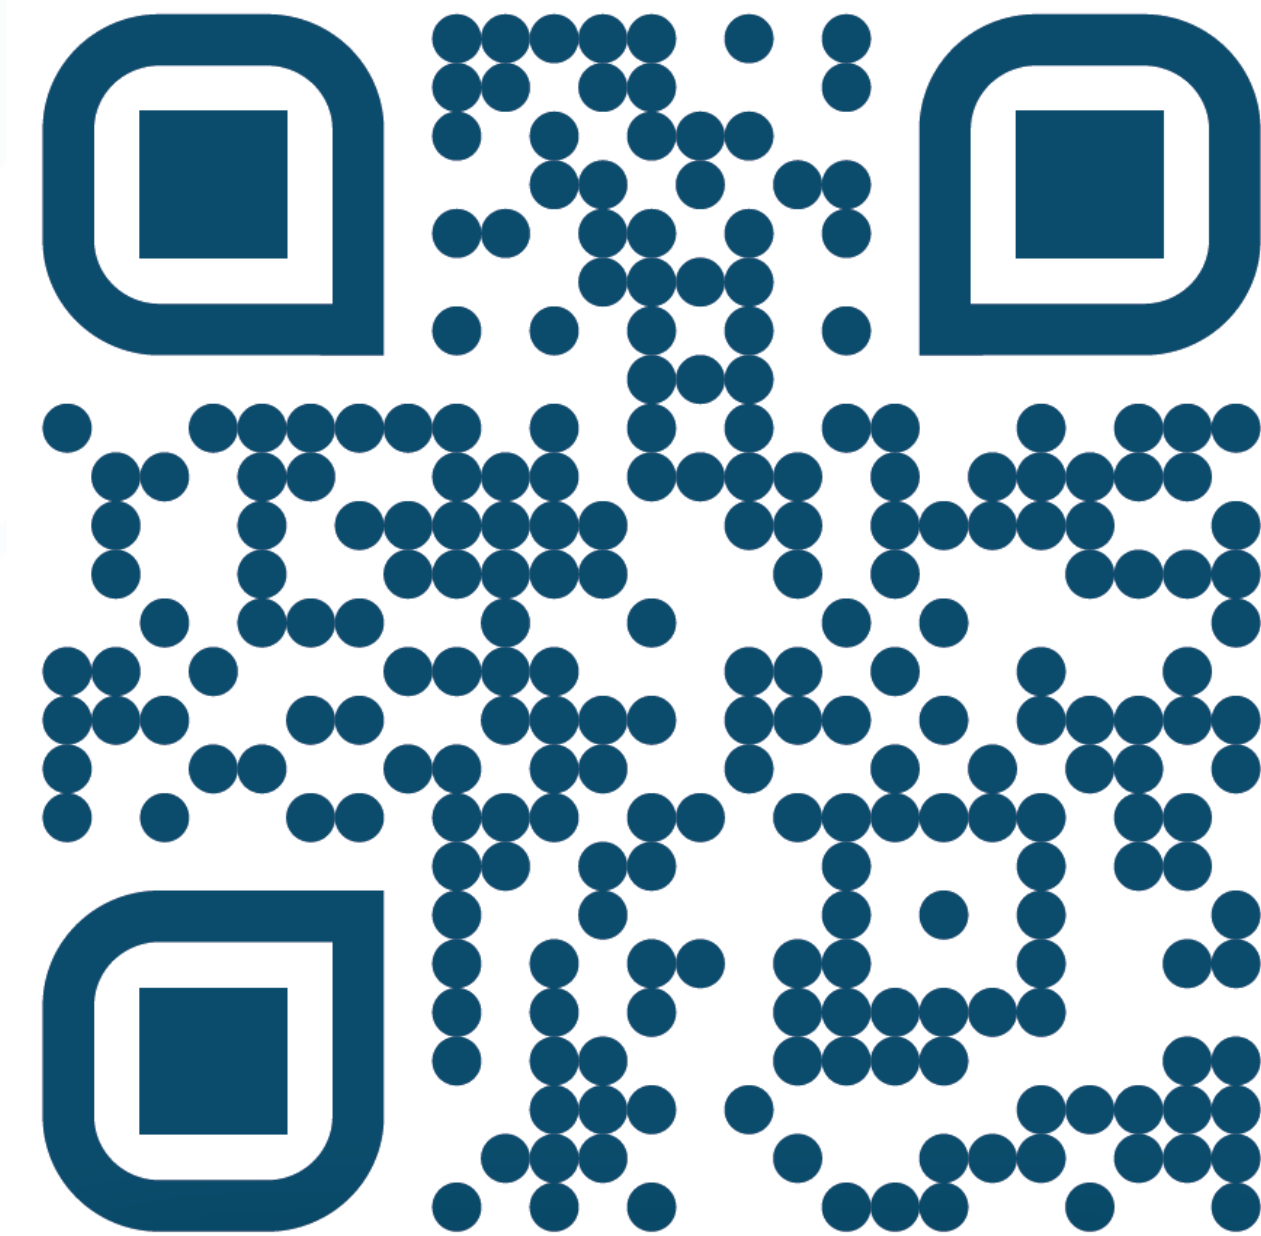

# Resources and Giveaways

Scan this code to enter to win a sixty-minute EPR consultation with RLG experts to talk about any aspects of EPR that you like.

Stop by the RLG **booth #106** to participate in the RCC raffle (Sony recycled materials earbuds).

At the end of this session, be sure to have your badge scanned so we can send you a copy of our **Retailers Guide to EPR in Canada**.

By scanning this code or your badge, you agree to receive marketing communications from RLG but can self-unsubscribe easily at any time.

packaging SKUs

# Common Data Management Challenges

Tracking EPR requirements across jurisdictions.

Creating EPR compliance systems that fulfill requirements.

Forecasting and budgeting for 2026.

Products may be covered by multiple EPR laws worldwide.

Working with suppliers under requirements of EPR laws.

Scoping waste reduction opportunities and making packaging more sustainable.

No way to validate supplier data.
