PANEL DISCUSSION

Advancing Cross-Canada Alignment in EPR

COMMON RULES

Is it possible for 13 jurisdictions to create identical product and packaging categories and definitions?

COMMON RULES

Can producers and PROs achieve more alignment if governments and regulators don’t make change?

SHARED SYSTEMS

PRO mergers and collaboration can reduce costs, provide simplicity and better environmental outcomes

Common Rules | **Shared Systems** | Enabling Change

ENABLING CHANGE

Good governance helps collaboration provide good outcomes

Common Rules Shared Systems **Enabling Change**

ENABLING CHANGE

Producers are obligated by regulation. PROs are agencies of the producers. How do producers make change?

Common Rules Shared Systems **Enabling Change**
